The image displays the logo for Westminster Institute of Photography (WIP). The letters 'W', 'I', and 'P' are rendered in a dark green, serif typeface. The letter 'I' is distinguished by a solid red color. A grey, three-dimensional ribbon graphic is layered behind the letters, appearing to wrap around them. The ribbon has a dark grey shadow on its underside, giving it a sense of depth and movement. The entire logo is set against a plain white background.
